The audacity! Lord Yuchi Lianfo what do you think you're doing?! Let His Highness go this instant!!!

Releases——

Pardon my indescretion your Highness.

What were you trying to do...

It seems like you really took a liking to this servant.

I'm important to Lianlian?
It's actually quite rare to find a servant that you're satisifed with, so this really makes me laugh.

Sure enough, Lianlian really is under the thumb of that green turtle!

I'm leaving.
My regards Your Highness!

When did you provoke the prince?

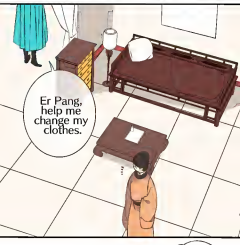
This lowly servant is kind and honest, how could he ever provoke someone!

Honest?

That's right! Haha!

Hmph!

Huh? Why does he sound so angry?

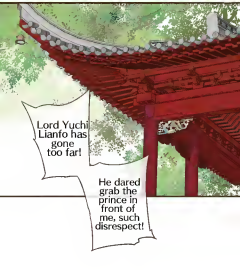


Er Pang, help me change my clothes.

Coming, My Lord!

What is with that Er Pang? Why does he look like he wants to pick a fight with me?
Hehe~

Go out with me.
Ah, yes!
My Lord, it's always been me accompanying you out, why are you abandoning me now...
I don't want that loony to confuse my life!!



Lord Yuchi Lianfo has gone too far!
He dared grab the prince in front of me, such disrespect!

Your Highness, could that be from just now... Lord Yuchi has really gone too far!

I can hide this, but...
The fact that one can't simply rile him up is true...
.....
Highness, is your alliance with him really acceptable?
Lord Yuchi seems a little hard to control.
In that case, what if I had a trump card against him?
Then he would definitely have to abide by my orders.

What Your Highness says it very true.

Hong Lu, investigate that little servant from just now,
I want your report in three days.
Yes, Your Highness!

Uncle, how much for one?

Three coins.
Just a moment!
My Lord, could you give me some of my wages in advance?
Did you follow me out here just to play around?
.....

Thank you, My Lord!

What am I doing? How could I have done something so intimate to the brat? Honestly...
Yes!

Wasn't he really close just now? Is Lianlian really gay!?
Guilty

Sirs, are you here to gamble or to rent a room?
To rent!

Take this, don't let anyone disturb us.
Yes kind sir!

What did Lianlian bring me here for? Renting a room? Aren't we going back?
What are you standing there for? Hurry up and come in.

Coming!
Oh no, now I'm feeling nervous...

Damn, and it's getting worse, um...
